Semi-Annual Clearance Sale is Now On and Will Continue Until Monday Night, July 1

We are very much overstocked and are forced to put the knife in the prices in order to induce the buyers to take the advantage of this great savings opportunity, nothing reserved. Before we commenced to remodel our store this spring we almost cleaned out the old stock of goods and bought very largely this season. The weather being unfavorable this spring caused us to have too many goods on hand now, hence the great sacrifice. Now is the time to make your money do double duty.

We call your special attention to the biggest stock of seasonable dress goods ever shown in this town, all new and up to the minute. Notice how the prices are slaughtered.
